

**FIDELITY INTERNATIONAL NAMED BEST UNIT TRUST/OEIC PROVIDER IN  
INVESTMENT, LIFE AND PENSION AWARDS 2007**

- **Fidelity and FundsNetwork receive three accolades**

**London, 15 October 2007** – Fidelity International, the UK's largest mutual fund manager\*, has won Best Unit Trust/OEIC Provider in the Investment, Life & Pensions Awards 2007. FundsNetwork™ was highly commended in the Best Fund Supermarket category and Fidelity was commended in the Best ISA Provider group.

The awards are held each year and a team of over 100 researchers track products across the whole market and best buy charts throughout the year to produce six nominees. The final decision as to who wins and who is awarded highly commended and commended is then down to the readers of Investment, Life & Pensions Magazine. The readers are sent a questionnaire and asked to pick products that inspire confidence with award winning features, products that have competitive charges and clarity of documentation. The magazine currently has a readership of over 18,000\*\* and around half of those readers responded.

**Fidelity and FundsNetwork received:**

- **Best Unit Trust/OEIC Provider 2007** – Fidelity International
- **Highly Commended for Best Fund Supermarket** – FundsNetwork
- **Commended for Best ISA Provider** – Fidelity International

**Richard Wastcoat, UK Managing Director, at Fidelity International comments:** "We are delighted to have been presented with these three awards. They are a testament to the continual hard work and effort put in to ensuring that Fidelity International and FundsNetwork deliver the best service possible to our clients. With readers themselves voting on the winners it is rewarding to know that these efforts continue to be successful."

Fidelity International Limited ("FIL") and its subsidiary companies serve the major markets of the world by providing investment products and services to individuals and

institutional investors outside the US. The FIL Organisation manages a total of £145.0 billion of assets\*\*\*.
